

E R R A T A

TO: ALL COUNTY WELFARE DIRECTORS

SUBJECT: IMMEDIATE NEED PENALTY EVALUATION PROJECT

REFERENCE: ALL-COUNTY LETTER NO. 88-136

The fourth paragraph, which transmitted information on reporting periods for the Project report forms should read as follows:

"Reports for the Immediate Need Penalty Evaluation Project shall be due 45 days after the end of the report month, i.e., August report due now, September report due November 15th, and so on."

This correction is necessary because of the possibility of AFDC determination timeframes taking up to and over 45 days.

If you have any questions, please contact Levy St. Mary at (916) 445-2135.
